## WORK EXPERIENCE

### FRONT DESK RECEPTIONIST & RESERVATION DEPARTMENT

*Athens Hawks Hotel / May 2019-Present*

- Checked in and out visitors and made sure to always provide the best experience possible.
- Handled booking Extranets, managed future reservations, cancellations, refunds and disputes.
- Implemented my programming knowledge and automated tasks.

### IT & TELECOMMUNICATIONS DEPARTMENT

*Hellenic Army / September 2018 - May 2019 (Military Service)*

- Assisted 100+ people per day, providing successful solutions in a polite manner.
- Organized and sorted documents and entered specified information into a database.
- Perfectly communicated with other soldiers and my superiors.

### IT DEPARTMENT & TECHICAL SUPPORT

*Municipality of Korydallos / January 2018 - August 2019 (Internship)*

- Provided thorough software and hardware support and problem resolution for staff of other departments.
- Worked on improving multiple websites, applied my skills and wrote clear documentation about the changes and additions I implemented.

### FRONT DESK RECEPTIONIST

*Attalos Hotel / 2016 - August 2018*

- Checked in and out visitors and made sure to always provide the best experience possible.
- Handled booking Extranets, managed future reservations, cancellations and refunds.

## EDUCATION

### FULLSTACK SOFTWARE DEVELOPMENT BOOTCAMP

*App Academy / 2019-2020*

- Learnt new modern frameworks and technologies.
- Built multiple fullstack projects that helped me better understand how multiple technologies work together.

### COMPUTER SOFTWARE DEVELOPMENT,

*Institute of Vocational Training of Aigaleo / 2015 - 2018*

- Studied Computer Science Concepts and Software development in depth.
- Worked with multiple programing languages, frameworks and technologies.
- Learnt how to operate in a team and how to collaborate with my classmates to complete demanding projects.

## PROJECTS

I have created multiple projects in the past and I'm always working on something new. Most of my projects can be viewed on my Github page([github.com/ArmantoArisRoutsis](https://github.com/ArmantoArisRoutsis)) and on my Portofolio Website under the work section([routsis-armanto.web.app](https://routsis-armanto.web.app)).
